EXECUTIVE MEMORANDUM

MEMO NO. 10-01

TO: All Department Heads

SUBJECT: Fourth Interim Budget Execution Policies and Instructions for
FY 10 - Fourth Quarter Allocation Only

As we move into the fourth quarter of FY 10, economic and fiscal challenges persist. Revenues for FY 10 reflect continued weakness in economic activity throughout the State. In August 2009, the Council on Revenues (COR) lowered its forecasted FY 10 growth rate for general fund tax collections from zero to -1.5 percent. In December 2009, the COR further reduced its FY 10 growth rate for general fund tax collections to -2.5 percent. Preliminary figures indicate, however, that actual general fund tax collections in the first half of FY 10 have decreased by -8.3 percent. The State's gradual recovery from the global recession will continue to impact the State's operations.

Labor cost savings from collective bargaining agreements with the Hawaii State Teachers Association; the Hawaii Government Employees Association; the United Public Workers Union, Unit 10; and the University of Hawaii Professional Assembly will be less than originally anticipated. **Nevertheless, it is fully expected that all departments will meet their targeted savings pursuant to the 13.85 percent restrictions.**

In this fiscal environment, our prudent and cautious expenditure policies must continue to control and reduce expenses. Due to the uncertainties that remain, the following actions are hereby authorized:

1. Effective immediately, departments will receive their respective budget allocations for all four quarters of FY 10.
 - a. The revised Exhibit 1 contains your department's First, Second, Third and Fourth Quarter allocation, which is your department's FY 10 operating program appropriations from Act 162, SLH 2009, minus a restriction that is equivalent to the targeted labor cost savings from the original furlough program. The restriction applies to all means of financing.

The new allocation also reflects adjustments that were previously authorized.

- b. CIP staff cost must be adjusted proportionately to reflect the targeted savings.
 - c. Requests for exception from this policy will be reviewed on a case-by-case basis and must be submitted to the Governor's Office through the Department of Budget and Finance (B&F).
2. Except for allocation amounts, all other current budget execution policies as contained in the following Executive Memoranda will continue until further notice.
- o Executive Memorandum (E.M.) No. 08-03, *FY 09 Budget Execution Policies and Instructions* (dated June 23, 2008).
 - o E.M. No. 08-05, *Amendments to E.M. No. 08-03* (dated August 26, 2008).
 - o E.M. No. 09-06, *Third Interim Budget Execution Policies and Instructions for FY 10*, (dated November 10, 2009).

Updated interim budget execution policies for FY 10 are forthcoming.

Questions on specific policies and instructions should be directed to B&F or the appropriate agency referenced.

Your continued hard work and dedication to public service are sincerely appreciated.
